

Paperflower Psychiatry, LLC No Show Policy

By agreeing to services with us and scheduling with us, you agree that you will attend your appointment. If you cancel 24 hours prior to your appointment, please know that your payment can be applied to your rescheduled appointment. If you are 10 minutes or later to your appointment, you will be considered a “no show.”

If you cancel less than 24 hours prior to your appointment or do not attend your appointment for any reason, you owe the full \$120 of the visit for a follow up. If you are a “no show” for your evaluation, if you reschedule, we will lower the fee to \$120. Otherwise, the full fee of \$300 is owed.

This is not covered by insurance and is nonrefundable. We do offer payment plans.

Per our consent to treatment, if not paid or refused to be paid, these balances may be moved to collections with an additional processing fee of 50% of the balance added.
